UPHOLDING OF LAW WILL HIT PARIS GAS SUPPLY

Officials of the Central Kentucky Gas Company, stated yesterday that the supply of natural gas for this section will be cut short and that heavy financial losses will follow if the Federal Court holds, West Virginia may enforce the Steptoe gas law.

The case is being heard in Pittsburgh this week in a suit brought by Pennsylvania and Ohio to restrain the State of West Virginia from enforcing the law. S. M. S. Weyer, gas expert, testified Tuesday in the trial that Kentucky, Pennsylvania, Indiana, Maryland and Ohio would suffer a financial loss of \$312,000,000 if the law is enforced.

The Steptoe law provides that all home consumption of gas must be supplied before any natural gas can be taken out of the State for foreign use. It was enacted more than a year ago, but has not been in operation, owing to a temporary restraining order issued by the courts, pending a final decision. Paris gets its supply of gas for illuminating and heating from this source, and if Lexington and others towns are affected by an adverse decision, of course, Paris will suffer to a limited extent.

"THE KENTUCKIAN" SCENES MAY BE FILMED HERE

It was reported yesterday that E. B. Hay, manager of the Laskey Famous Players, who are in Frankfort, filming scenes for the screen production of John Fox, Jr.'s novel, "The Kentuckians," will come to Paris in a few days to take views of the birth place of the author, and Paris scenes, to be used in the introduction of the play. The old school house where Mr. Fox attended school, at Stony Point, will be filmed, also.

Mr. Fox was born near Stony Point, between Paris and Winchester, and spent his early life in Paris and Bourbon county. He is buried on the family lot in the Paris Cemetery.

AUTO MISSING.

"Strange a man can leave his auto standing near his home undisturbed for six months, and then wake up some morning and find it gone." This soliloquy came from the lips of Wm. McCann, formerly of the commission firm of Perry, McCann & Mitchell, as he gazed ruefully at the spot where his machine had been the night before. Mr. McCann resides on Mt. Airy avenue. His machine had been parked in front of his residence, but it was gone yesterday morning. The machine is an Oldsmobile touring car, bearing a license tag 58501. No clue to the taker or to the whereabouts of the machine.

NEGRO PRISONER ATTEMPTS TO MAKE ESCAPE.

But for the vigilance of Jailer T. L. Taul, Wednesday, Jeff Johnson, colored, self-confessed leader of an organized gang of thieves, would have made his escape from the Paris jail.

A Versailles merchant who came to Paris, Wednesday morning to interview Johnson, told Patrolman Taul that if the Paris authorities succeeded in keeping Johnson safely in jail a week they would be lucky, and advised him to warn Jailer Taul. He further told the officer how Johnson had made his escape from the Versailles jail, and that he had stated that no jail could hold him very long. Patrolman Taul at once communicated the Versailles man's warning to Jailer Taul. Mr. Taul paid a quiet visit to Johnson's cell, and was greeted pleasantly by the prisoner, who sat unconcernedly on the edge of his bed. Mr. Taul made an examination of the cell, and was about to conclude everything was all right, when he picked up Johnson's coat, which had been lying on the floor of the cell, close to a window. To his astonishment he found that Johnson had managed to loosen one of the big stones so that it could easily have been removed at his pleasure and his liberty gained. The prisoner was thoroughly searched, but nothing could be found on his person, or in the cell, by which he could have done the work. He refused to give any information whatever as to how he had managed the job.

Jailer Taul had Johnson removed to a solitary cell in the woman's department, and attached a heavy iron ball and chain to his ankle and had him handcuffed, adding for the prisoner's benefit: "Now, I guess you will wear that jewelry as long as you are my guest."

MARIGOLD ARCHITECT IN CITY CONSULTING

Edward Webber, of the firm of C. C. & E. A. Webber, of Cincinnati, architects, was in Paris yesterday, consulting with Messrs. George W. Stuart, John M. Stuart and Jesse M. Alverson, in regard to plans for the proposed new Marigold Theatre. Plans as present contemplated provide for the erection of a modern up-to-date movie house at the corner of Main and Eighth street, purchased some time ago from the John A. Schwartz estate. The lot has been cleared, and as soon as building material conditions warrant, the work of construction will begin. Construction work was to have begun last summer on the new theatre, but the high price and difficulty of obtaining building material and the scarcity of labor held it up.

In India, if a man is not married at the latest by his twenty-fifth year his reputation suffers.

REAL ESTATE TRANSACTIONS

J. H. Crutchfield sold Saturday through the real estate agency of Mitchell, Moreland & Mitchell, to Mrs. Cora Delaney, a house and lot located on Parrish avenue, for \$3,050.

Harris, Speakes & Harris, of Paris, sold Wednesday on the premises in Nicholas county, for Burris & Talbot, their farm of 181.21 acres, to James Martin, of Carlisle, for \$157.60 an acre.

Mrs. Anna Skillman sold Wednesday privately through the real estate agency of Mitchell, Moreland & Mitchell, a house and lot located in East Paris, to J. T. Minogue for a price not reported for publication. The same farm later sold for Miss Julia Edwards her house and lot located on Main street, to Mrs. Skillman, at a private price.

TOBACCO MEN MAY FAVOR "CUT OUT"

A meeting of the farmers and tobacco growers of Bourbon county will be held at the court house in this city to-morrow afternoon, for the purpose of discussing the tobacco situation, and for selecting delegates to attend the meeting of the Burley Tobacco Association, to be held in Lexington on September 30.

It is said that at this meeting the growers will advocate an entire "cut-out" of the crop, or at least fifty per cent. Tobacco growers have felt the pressure of being compelled to build extra barn room, buy sticks, pay large wages for labor, and then suffer a loss of twenty-five to thirty per cent. of their crops from the effects of wild-fire and rust. It is contended that landowners can produce cattle, hogs, hay and corn and make good money while their tobacco land is idle and improving from a period of rest and fertilization, and thereby be independent of the alleged Tobacco Trust.

NEW FIRE-FIGHTER DOES SPLENDID WORK

The new pumping engine recently purchased from the American Laffance Engine Co., for the Paris fire department, has arrived and been put into active commission. The new machine is a fine type of the modern fire-fighting apparatus, and proved, in the demonstrations and tests made Wednesday and yesterday, that it is the right machine made in the right way.

The new addition to the city's fire fighting paraphernalia is a combined pumping engine, chemical and hose wagon, and is complete in all its requirements, being furnished with all useful apparatus for fire fighting.

It is motor propelled and is capable of making a high rate of speed going to a fire. Tests were made yesterday and Wednesday at points situated on high and low altitudes. The pump did excellent work under varying conditions, and thoroughly demonstrated its capacity. The new machine cost \$10,000. This addition to the fire department will be the means of cutting insurance bills in the city at least eight per cent.

ONE OF BOURBON COUNTY'S BEST FARMS AT AUCTION

On Thursday, September 30, at 10:30 a. m., on the premises, the undersigned will sell at public auction one of the best farms in Bourbon county.

The place belongs to J. R. Blanks & Co., and is located five miles from Paris, on the Cynthiana pike, and is one of the most fertile pieces of land in the county. It contains 150 acres, 80 acres in old bluegrass sod and 70 acres plowed. No waste land. Two-story frame house, tenant house and all necessary out-buildings.

For particulars, see J. R. BLANKS, or HARRIS, SPEAKES & HARRIS, Real Estate Dealers, Paris, Ky. Geo. D. Speakes, Auctioneer. (24-2)

TAKEN TO LOUISVILLE

Clyde Ormes, arrested here by Deputy Sheriff Robt. M. Gilkey, on a warrant issued in Louisville, charging him with deserting his family, was taken back to Louisville, Monday night, in charge of Deputy Sheriff W. H. Able, of Jefferson county. Ormes will be given a hearing on the charge in the Jefferson County Court.

TOURISTS HEADING SOUTH

The annual heigera of tourists to the warm and sunny South has begun. Numerous parties of auto tourists, bound for Florida points, have been in Paris very recently, taking the Dixie Highway for other points, and continuing their journey. Indications are that the travel will be very heavy the remainder of this month, and on through October and November. The railroads expect to be very busy during those months. Paris people are looking up their train schedules and making other advance preparations for the annual Southward flight.

The peculiar part of it is that the man who rarely gives a square deal is nearly always kicking because he doesn't get one.

DEATHS.

CHAMBERS

Mrs. R. O. Chambers, for many years a resident of Sardis, Mason county, died Sunday in the Bethesda Hospital, in Cincinnati, where she had been a patient sufferer several months. Mrs. Chambers had been long a sufferer from a malignant cancerous growth, which defied all efforts of medical skill to eradicate.

Mrs. Chambers was a kind, charitable and lovable woman, who had a large circle of friends and acquaintances in this city and county. Besides her husband, Mr. R. O. Chambers, she is survived by one son, Rollie Chambers, of Sardis, and one daughter, Mrs. R. M. Johnson, of Paris.

The body was brought to Maysville, Tuesday, and taken to Shannon, in Mason county, where the funeral and burial was held Tuesday afternoon.

DIMMITT

Mrs. America Dimmitt, aged sixty-six, wife of Mr. P. L. Dimmitt, died at her home in Millersburg at six o'clock Tuesday night, after a short illness due to a complication of diseases.

Mrs. Dimmitt was a daughter of the late Zachariah and Jane Dykes Doty, who were natives of South Carolina, coming to Millersburg in their early married days. She was a sister of the late Mrs. George G. White, and a cousin of John H. Doty, of Paris. Besides her husband, Mrs. John D. Calhoun, of Millersburg, one sister, Mrs. Bettie Tate, of Shawhan, and two brothers, Noah Doty, of Millersburg, and James Doty, of St. Louis, Mo.

The funeral took place from her late residence in Millersburg at four o'clock yesterday afternoon, with services conducted by Dr. C. C. Fisher. The burial followed on the family lot in the Millersburg Cemetery.

RELIGIOUS.

LODGE NOTES

The million dollar committee, of which G. Allison Holland is chairman for the State, which is engaged in raising one million dollars for benefit of the Masonic Widows' and Orphans' Home, has had splendid success in the last few weeks. The amount has reached approximately \$900,000. Mr. Holland is confident that this amount will be fully reached by the first of the month. The raising of this money is the largest enterprise ever undertaken by any secret order in Kentucky, and indicates the faithfulness and good will which actuates the members of that order.

The fourth degree initiation of the Knights of Columbus has been postponed indefinitely and the committee in charge will announce the date later. Many applications from Lexington, Paris, Frankfort and Maysville Knights have been received for the degree. The third degree initiation will be held October 10, as previously announced, and only a few more applications are needed to complete the class of candidates.

TRIPLE TRINITY IN SOLDIER'S LIFE AND DEATH

In the life and death of Sidney Rankin, of Newport, a brother of Virgil Rankin, clerk in the Owsley restaurant in Paris, there has been a remarkable series of circumstances in which the numeral 9 played a leading role. All through the young soldier's life the triple trinity held a prominent place. Virgil Rankin returned Tuesday from Newport, where he attended the funeral.

Young Rankin enlisted in the United States service at the beginning of the world war in 1917. He was assigned to Company I, Ninth U. S. Regiment. The transport which carried him and others of his regiment was nine days in making the trip across. He participated in nine battles during the war, and for a time was in Base Hospital No. 49 in England. He was wounded in one engagement where nine companions were killed around him. The detail which carried them from the field was composed of nine men of the Hospital Corps. On his return to American he suffered from tuberculosis, and for a long time has been in the U. S. Hospital at Greenville, S. C., where his death occurred at the ninth hour of the day on last Friday. The message to his father at Newport conveyed news of his death in nine words. The body was brought to his old home in Newport, where the funeral took place Monday afternoon, under the auspices of the James Wallace Costigan Post, American Legion.

The funeral was held from No. 922 East Third Street, Newport. A detail of nine U. S. soldiers from Ft. Thomas composed the guard of honor at the funeral and nine soldiers carried the body to the grave, where a detail of nine men formed the firing squad. On the night before the funeral nine floral offerings were sent to the home, arriving at nine o'clock. The body was buried in lot No. 49, in Evergreen Cemetery, in Newport, just nineteen years after his mother's death. There were nine motor carriages in the funeral cortege.

AUCTION SALE OF THOROUGH-BREDS AT LEXINGTON.

At the Kentucky Sales Company's auction of thoroughbred yearlings, brood mares, weanlings and horses in training at Tattersall's in Lexington, Tuesday, 61 head brought \$36,020, an average of a fraction less than \$600. The top of the sale was the yearling sister to Miss Muffins, sold to divide a partnership between Stephen Black and J. O. Keene, and purchased by Keene for \$2,700. The second highest was the North Star-Diamond Grain filly, sold by Carr & Platt to E. R. Bradley for \$2,600. *D. W. Scott, after lively bidding with A. B. Hancock, of Paris, got the young Fair Play mare, Even Money, for \$2,525.

Bourbon county turfmens made the following purchases: Springfield, bay mare, 12, by Saintfern, A. B. Hancock, Paris, \$200; Chestnut colt by Peter Quince-Neil Wilder, Robert C. Frakes, Paris, \$1,000; Brown filly, by Watervale-Vanen, Robert C. Frakes, Paris, \$1,500.

THE \$14,000 FUTURITY

At Lexington, Tuesday, October 5, the Kentucky Futurity, (\$14,000), the drawing card for that day, promises to be one of the greatest races ever witnessed, for it is 3-in-5 to a finish, the only 3-in-5 event of the year for colts of that age (which means that the very fastest and gamest only will start.) And amongst those almost certain to start are not only Sister Bertha 2:06 1/4, Arion Guy 2:05 1/4, Volage 2:06 1/4, the trio that finished one, two, three in that desperate race (for \$6,000) at Columbus last Tuesday, but also Daystar 2:06 1/4, Great Britton 2:07 1/4, Lucile Harvester 2:08 1/4, Natalie the Great 2:08 1/4, Signal Peter 2:08 1/4, Emma Harvester 2:08 1/4, Miss Ellen Todd (2:10 1/4 on a half-mile track) and San Andreas, a frequent winner amongst aged horses on the half-mile tracks. And there are others; but the above look the best and are almost certain to make the field.

STOCK, CROP, ETC.

Deputy Sheriff R. M. Gilkey and Bert Rash, of the North Middletown vicinity, shipped a double-deck car of lambs to the Cincinnati market Wednesday. The larger part of the shipment brought 14 1/2 cents a pound, and eleven cents a pound for the "tail-enders."

Finger-Prints in Babylon.

A group of valuable historic tablets from the excavations of the city of Babylon, bearing dates as far back as three and a half centuries before the Christian era, was recently secured. Several of the pieces carry the distinct prints of the fingers which molded them over 2,500 years ago.

STORING FRUITS AND VEGETABLES.

Every year people have trouble to keep fruits and vegetables through the winter. Much of this trouble can be eliminated and large amounts of food stuffs saved annually if a few simple rules are followed. The College of Agriculture has found that were good specimens of fruits and vegetables are stored in boxes or crates in rooms such as cellars or caves good ventilation must be provided. This can be accomplished in several ways. First, make sure that all the containers are boxes, barrels, and crates have openings so as to permit a good circulation of air. Bore holes in sides and bottoms or cut slats in the sides. Second, be sure that some means is provided whereby there will be a good circulation of air in the storage room. Openings are usually found in the top of all cellars or caves, but unless some means is provided to admit the cold air to the floor there will not be much ventilation even when there is an opening at the top. Offer six inches cut off the bottom of the door will provide a good circulation of air. This opening can be covered with wire netting to exclude rats and cats. This circulation can also be provided by laying a 10-inch tile from the outside to the center of the floor. Remembering to have the outside opening at least two feet lower than the opening in the floor.

With these simple suggestions followed in providing a means of ventilation any one should be able to keep fruit and vegetables. As a rule the nights are cool in the fall and by opening all ventilators at night and closing them in the day it is possible to keep the storage room very near the right temperature.

IS THIS YOUR EXPERIENCE?

Many Paris People Are Afflicted With Annoying Kidney Ills

Are you bothered with too frequent action of the kidneys? Are the secretions highly colored—do they contain sediment—burn and scald in voiding? These are all signs of kidney sickness and should not be neglected. Paris people recommend Doan's Kidney Pills. If your back aches and your kidneys are weak you will find no better recommended remedy.

Charles Stewart, tinsmith, Liller-ton avenue, Paris, says: "I have had three or four attacks of lumbago in the past few years, the first being the worst. There was a constant, dull ache in my back all the time and often sharp, cutting pains darted through it. It sometimes seemed as though I could hardly endure the misery. I tried different remedies with no good results. I heard of Doan's Kidney Pills and procured them from the Ardery Drug Co. The first box helped me and I continued taking them until cured. Attacks since then have always been slight. Doan's Kidney Pills have never failed to relieve me."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stewart had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

"PROFITEERING OF LONG AGO.

(Georgetown Times)
What "profiteers" those boarding house keepers and landlords were in the days of long ago! The total expense for twelve months for board, laundry, lodging, fuel and lights in Georgetown in 1831 was \$100 a year of \$75 for the college term, according to the Louisville Daily Journal of April 8, 1831, in which an advertisement of Georgetown College had no boarding halls and dormitories in the olden days and students obtained board and lodging in private families. Tuition in the college in those days was \$25 a year as compared with the present charge of \$75 a year. The faculty of the college in 1831 included J. Smith Bacon, president; Rev. N. N. Whiting, Thornton F. Johnson, Dr. Samuel Hatch, William Craig and Wm. P. Nelson. Instead of the usual three months' summer vacation period, the college has a six weeks' layoff beginning the first week in March and a second vacation period of four weeks beginning early in September.

RAILROAD CROSSING ACCIDENTS

The Illinois Central Railroad made tests a few years ago, to determine what caused crossing accidents. They learned that 75 per cent of the drivers never stopped, looked or listened, to see if a train was coming.

Automobile drivers seem to think they can travel about as fast as a train at 60 miles per hour approaching the crossing point much faster than they are at 20.

The Southern Pacific Road, in making a similar study, learned that in 13 per cent of the accidents, machines stalled on the tracks. There are a great many drivers who dislike to show fear. There are many others who consider their time so valuable that they cannot stop 30 seconds to let a fast train slip by. They should remember that they will be a long time dead.

BEGAN TO IMPROVE RIGHT FROM START

Mrs. Cremeans Says Tanlac Has Entirely Relieved Her of All Her Troubles.

"After all Tanlac has done for me I sure feel like a different woman," said Mrs. H. G. Cremeans, of Twenty-first street and Jefferson avenue, Huntington, W. Va.

"I suffered with indigestion and stomach trouble for two years. My appetite left me and even the light foods I ate felt like lead in my stomach. I would bloat up after eating until I could hardly breathe and felt miserable for hours. Dizzy spells came on and I had such awful headaches that the pain nearly drove me wild. I was so nervous that I would tremble like a leaf. I rolled and tossed in my bed and never had a good night's sleep. I also had rheumatism in my left side. I lost weight and wasn't able to do anything about the house. I took over one hundred dollars' worth of medicine and tried all kinds of treatments, but nothing did me any good until I took Tanlac.

"I had taken but a few doses of Tanlac when I began to improve and my appetite picked up. My strength returned, I gained ten pounds in weight, and now I can eat just anything without a sign of indigestion. All my ailments have disappeared and I feel as well and strong as I ever did. It is simply wonderful what Tanlac has done for me, and had I taken it sooner I would have saved myself a world of suffering."

Tanlac is sold in Paris by the People's Pharmacy. (adv)

THE HABIT OF LEARNING

"There is something I have found out since leaving school that may surprise you; you will not have so much use for the things you are learning now as you think you will have," writes the Cave Scout in Boys' Life for September. "As a matter of fact you will forget nine-tenths of the things you learn in school, after you graduate."

"The most important thing in school is not the information you acquire but the habit of learning that you establish. Here is a man with no education. He has never learned how to solve problems. Some trouble comes up in his life—it may be a comparatively simple matter—but he is helpless, can't see any way out of his difficulties. The same situation confronts a man with an education—a trained mind—and he begins to put things together, and figure and scheme and soon has a solution to the problem, because he has learned how to solve problems by going to school."

\$25,000 FIRE VISITS STAMPING GROUND.

Stamping Ground in Scott county was visited Saturday night with the third destructive fire in ten years. The loss is estimated at between \$15,000 and \$25,000, partly covered by insurance. All three fires have been on Main street.

The fire was of unknown origin and originated in an unused room over Emmett Tucker's hardware store. The homes of Ira House and Dr. Crutchfield were almost destroyed, as were the hardware store and the Swift Creamery.

The telephone exchange was damaged and all but one of the telephone lines put out of commission. Several houses directly opposite were damaged, including the undertaking establishment of Adams & Cassidy, and the home of Newton Northcutt.

I SUFFERED THREE YEARS

Finally was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Lowell, Mass.—"I was all run down and had an awful pain in my right side, was persistently constipated and had very dizzy spells. I suffered for three years and was perfectly miserable until a friend was telling me to try Lydia E. Pinkham's Vegetable Compound and I found it a wonderful medicine. I can now do twice as much work and I recommend the Vegetable Compound to other women. You can use these facts as a testimonial."—Mrs. M. THEALL BESSEY, 46 Chestnut St., Lowell, Mass.

Why women will continue to suffer so long is more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound! For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WEST VIRGINIA GAS LAW THREATENS KENTUCKY

Corporations and residents of Kentucky, Pennsylvania, Indiana, Maryland and Ohio will suffer a financial loss of about \$312,000,000 if the State of West Virginia enforces the Steptoe gas law, according to testimony given by S. M. S. Wyer, who qualified as a gas expert in the hearing of the Pennsylvania-Ohio suit against the Steptoe statute at Pittsburgh, Pa., Tuesday.

YOU certainly want to save money, and you would like to have better bakings. Then use Calumet. It's the biggest thing you can do to improve the quality of your bakings—and lower baking costs.

Calumet is made in the largest, most sanitary Baking Powder Factories in the World. No Baking Powder is made under better conditions—none can be better in quality.

It contains only such ingredients as have been officially endorsed by the U. S. Pure Food Authorities. An absolute guarantee that it is pure.

It received highest Awards, World's Pure Food Exposition, Chicago—Paris Exposition, Paris, France—positive proof of its superior merit.

It is used by more housewives and domestic scientists than any other brand.

It is sold at a moderate price. All you have to do is to compare costs to determine how much you can save by buying Calumet.

Gluten is the muscle building part of flour which is of great importance. To be sure you get it in your bakings use plain flour and good baking powder, (not self-rising flour).

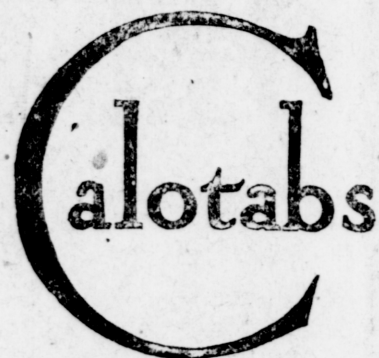

Calumet Cocoa Cake Recipe
—3 cups pastry flour, 2 level teaspoons Calumet Baking Powder, 1/2 cup butter, 1/4 cup granulated sugar, Yolks of 3 eggs, 1/4 cup cold water, Whites of 3 eggs, 1 teaspoon orange extract. Then mix in the regular way.

FEARFUL OF FROST TOBACCO HURRIED IN

If you are a man, most any kind of a man, and want to hustle, it will not be necessary to venture far into the country, since there is a most vigorous effort upon the part of tobacco producers to get their crops into the sheds, fearful of a frost. The temperature has been watched closely by many and some state that there has been "near frost" several mornings, and the mercury is dropping steadily these nights, and the producers are apprehensive. While it is a fact that much tobacco is being cut green, considerable is being damaged by the heat after having been hung in the sheds, and some are building fires beneath the hanging tobacco in order to dry it out, it is said. There is a demand for charcoal that is unusual, but it is not to be obtained in small quantities.

Carborundum, the artificial substitute for emery, is said to rival the diamonds in hardness.

To abort a cold and prevent complications take

The purified and refined calomet tablets that are nauseless, safe and sure.

Medicinal virtues retained and improved. Sold only in sealed packages. Price 35c.

HOOISIER

SAVES MILES OF STEPS

THE MODEL KITCHEN

The kitchen shown here is an outgrowth of the newest development in home building.

It was deliberately planned with the idea of making house-work easier. A definite, specific place was provided for the Hoosier Kitchen Cabinet, because housewives and home-makers have come to know that a Hoosier functions best when the kitchen is planned to logically focus all of the work on the step-saving Hoosier.

But whether you are planning a new home or not you need a Hoosier now. For the Hoosier, already the proud possession of two million housewives,

enables you to do your housework quickly and easily. With every tool and utensil in the one place most easy to get at, with foods and condiments right at your finger tips, you sit before Hoosier's big uncluttered work table at your ease.

No fussing nor fuming, no back-breaking reaching or lifting, not a single unnecessary step. Just easy, comfortable, well ordered work—that is Hoosier's solution of the kitchen work problem.

Come to our store and satisfy yourself that this is so. We'll gladly give you a complete demonstration of the many ways in which the Hoosier excels.

EDITORIAL FLINGS OF THIS, THAT 'EN TOTHER

Say, fellers, don't you know that teaching Paris women how to vote in the elections is going to be even more terrible than teaching her how to swim or the fine points of baseball?

Republican nominee Harding has at last said something that is bold, fearless, clear as a bell, and which cannot be successfully disputed. Evidently without consultation with Chairman Hays or Senator Penrose or the Campaign Committee, he comes right out, and, in tones that carry conviction to the mind and a thrill to the heart, declares: "The history of civilization is a very interesting story."

Paris people who are close observers of the political trend are now wondering whether husbands and wives will vote alike in the coming Presidential election. Well, the old saying is "Coincidences

will happen in the best regulated families."

The new dictionaries will contain over five hundred thousand words. It would take all these and many hundred more to express the righteous indignation Paris people feel when their view of the movie screen at the Grand is obstructed every night by persons in the balcony.

How the women will vote in November is a matter which is worrying the politicians of the two great parties. But we have a strong hunch that they will vote in voile, crepe de chine, organdies, high heels, furs, dust caps, slippers, dresses, cooking clothes, gingham, and almost any old way. Don't you think?

A certain Bourbon county official, who shall be unnamed, said the other day: "There is a certain office building in this city that has had more than its share of trials and tribulations. It was the home of a popular financial institution that eventually went to the discard, and later became the abiding place for an oil stock concern, which moved out. But the crowning misadventure in the tragic history of the building is the fact that it has now become headquarters in Paris for the Republican party."

STATE MEETING D. OF C. AT CYNTHIANA.

The Kentucky division of the United Daughters of the Confederacy met for its twenty-fourth annual session Wednesday at the Presbyterian church, in Cynthiana, with Mrs. James L. Stunston, of Mayfield, presiding, and delegates and visitors from all parts of the State in attendance.

The session was opened at ten o'clock with the invocation by the Rev. Felix K. Struve, of the Methodist church. A welcome was extended to the visitors by Mrs. Lamine S. Givens, president of the Jo Desha Chapter, Cynthiana. Mrs. William G. Wigglesworth, president of the Women's Club, Cynthiana, extended greetings in behalf of the club; Mrs. William G. Talbot, of Paris, State president of the Daughters of the American Revolution, in behalf of the D. A. R., and Mrs. Roy McKinney, president general of the U. D. C., in behalf of the General U. D. C. Chapters. Mrs. Robert J. Clume, Bardonia, responded to the welcome.

Reports of the State officers were read and accepted. Special messages from the convention were sent to Mrs. Edmonia Roberts, Bardonia; Mrs. Frank Atkins, Lexington; Mrs. Andrew M. Sea, Louisville; Mrs. Russell Mann, Paris, presided at the memorial service. Representatives of chapters that had lost members during the year, were furnished with a white carnation for each member who had died. These were placed in a vase with red carnations, after a brief sketch of the person was given.

Mrs. Albert H. Morehead, of Lexington, addressed the convention on "H. C. L. Our Individual Responsibility."

After the reports of the standing committees, the convention adjourned to the home of Mrs. J. R. Poindexter, where the Woman's Club of Harrison county entertained with a tea, in honor of the officers, delegates, visitors and members of the Jo Desha Chapter.

Dr. Matthew Page Andrews, author and historian, of Baltimore, who was to be present during the sessions of the convention and make an address last night, was unable to come on account of sudden illness.

Richard Hawes Chapter, of Paris, was represented at the meeting by Mrs. W. G. Talbot, Mrs. Russell Mann, Mrs. Ada Rice, Mrs. Chas. S. Goldstein, Mrs. Denis Dundon, Mrs. J. T. Vansant, Mrs. John J. Connell, Mrs. A. H. Hancock, Mrs. Chas. C. Leer, Miss Carroll Leer, Miss Ada Bivins and Mrs. Jos. H. Ewalt.

CHURCH SUPPER

A supper will be given in the school building at Escondida tomorrow night. The women of the vicinity are asked to bring or send contributions of edibles. The proceeds of the supper will be devoted to the benefit of the Sunday School at Escondida. The public is cordially invited to attend.

GLASPIE CASE CONTINUED

In Lexington, Wednesday, the case of Mrs. Simon Glaspie, of Millersburg, charged with assault with an automobile, was continued, by consent of the parties interested, until October 18. Mrs. Glaspie was recognized on her own bond to appear in court on that date. While driving on Limestone street in Lexington, Sunday, Mrs. Glaspie accidentally struck and injured a colored boy, who attempted to cross the street in front of her car.

**JEWISH PEOPLE OBSERVE DAY
OF ATONEMENT**

From sunset Tuesday night until
sunset Wednesday the Jewish citi-
zens of Paris observed Yom Kippur,
the Day of Atonement, with fasting
and prayer. Their business houses
were closed, and no food was eaten
on that holiest day of the Jewish
calendar.

Many of the orthodox faith went
to Lexington, where appropriate ser-
vices were held in the Maryland
Avenue Temple. One of the most
beautiful features of the ceremonial
observance of Yom Kippur is the
singing of "Kol Nider," perhaps
the most ancient and solemn song of
universal confession and atone-
ment for sins of the Hebrew peo-
ple, and had its origin in Biblical
times.

PRISONER IS RELEASED

Delmar Alexander, the young
white man arrested in Wolfe county
and brought back to Paris by Chief
of Police Link, in company with the
young man's father, was released
from custody, after a hearing here.
Alexander, who was given em-
ployment at the home of Chas.
Arnold, a North Middletown farmer,
left the place after taking with him
some wearing apparel and a gold
watch belonging to his employer.
Arnold's machine was found with
the tires slashed as if by a knife,
so for the evident object of prevent-
ing pursuit. He was traced and fi-
nally located near Campton, in Wolfe
county. In order to secure his pris-
oner, Chief Link was compelled to
ride horseback part of the way, and
to walk thirteen miles over a nar-
row gauge railroad. The case was
settled out of court, and the young
man released.

—O. T. Wagoner, well-known
Bourbon county farmer, celebrated
the fiftieth anniversary of his birth
last Sunday at his home near Spears
Mill. About fifty guests partook of
an old-time dinner, spread on tables
beneath the trees on the lawn. A
feature of the table decorations was
a huge cake decorated with fifty
pink candles. A group picture of
the assembly was made by photo-
grapher John H. Doty, of Paris.

—Mrs. Wade Hampton Whitley
entertained Tuesday afternoon at
her home on Vine street, with a
luncheon-bridge, in honor of Miss
Howard Harrison, of Lexington,
bride-elect. Miss Harrison will be
married to-morrow at noon, in Lex-
ington, to Mr. Frank Copeland
Page, of Winston-Salem, N. C. The
home was beautifully decorated for
the occasion, and seven tables of
players enjoyed the afternoon to
the utmost. A delicious luncheon
of substantial was served at the
card tables. The capital prize, a
card table, and crackers service, was
awarded to Mrs. Fayette Ardery.
Miss Harrison was given a hand-
some guests' prize. The consolation

prize, a deck of cards, was awarded
to Miss Charline Ball.

—Mrs. Evt Dimmitt, of Paris, is
visiting Mr. and Mrs. Cullen Durbin
and others in Cynthiana.

—Miss Sena Rion has returned
from a visit to Mr. and Mrs. Robert
Ogden, in Winchester.

—Mrs. Bettie McIlvaine and sis-
ter, Miss Julia Edwards, have mov-
ed to their new home on Fifteenth
street.

—Mr. and Mrs. Thos. M. Funk
have gone to West Baden Springs,
West Baden, Indiana, for a two-
weeks' stay.

—Mr. and Mrs. James Arkle, Miss
Nannette Arkle and Mr. Fithian
Arkle, of Paris, attended a dining
given in Winchester by Mrs. W. E.
Pinnell.

—Mrs. Fanniebell Sutherland had
as guests Wednesday, Mrs. Thos.
Gardner, Mrs. James Lary, Mrs.
Wm. K. Bayless, Mrs. W. S. Webb
and Miss Jane Allen Webb, all of
Lexington.

—Mrs. Stoner Keller, formerly
Miss Minerva Neal, of Paris, under-
went a successful operation for ap-
pendicitis, performed at the Massie
Memorial Hospital, in this city,
Wednesday morning.

—Miss Kate Rohmweber and Miss
Sarah McGinley have returned to
to their homes in Cincinnati, after
a visit to Mr. and Mrs. John Mc-
Ginley and Thomas McGinley, in
Paris, and to relatives in Carlisle
and Nicholas county.

—Mrs. Thompson H. Tarr enter-
tained informally Wednesday at her
country home, on the Georgetown
road, near Paris, in honor of her
house guests, Mrs. Fisher and son,
Mr. George Fisher, of Kansas City,
former residents of the county.

—Miss Katherine Willis has re-
turned from the Good Samaritan
Hospital, in Lexington, where she
has been a patient for several days.
Miss Willis underwent a slight op-
eration in the hospital, performed by
Dr. J. A. Stuckey, of Paris.

—Mrs. Russell Mann, of Paris,
assisted in receiving and entertain-
ing guests at the reception given by
the members of Jo Desha Chapter,
D. of C., in Cynthiana, Wednesday
night. The entertainment was given
at "Monticello," the palatial home
formerly owned by J. T. Megibben.

—Among the out-of-town people
who attended the dance given in the
New Independent Tobacco Ware-
house Monday night were the fol-
lowing, guests of Miss Elizabeth
Simms at an informal dinner given
at her home, "Airdrie," in Wood-
ford county: Miss Lena Withers,
of Lexington, and her guests, Miss
Tess Walton, of Kansas City, Mo.,
Miss Edith Berryman, Miss Marjory
Cox, of Lexington; Messrs. Louis
Descognets, Jr., Milton Revill,
Charles Allen Thomas, James Todd
and Jack Berry, of Lexington, and
John Murray, of Kansas City, Mo.

NEW AND GOOD ROADS

Wonderful progress is being made in constructing a great network of good roads throughout the country. The needs of commercial interests, of tourist, as well as the farmer,

have been consulted in designing this system. It has long been a reproach that American roads were inferior to those of most European countries, but this condition of affairs is now being corrected. In 1916 the Government appropriated \$75,000,000 to be spent in five installments, the last of which, amounting to \$25,000,000, was to be released July 1, 1919, and this has since been increased by an additional \$200,000,000. Up to May 1 of this year plans had been approved for building 27,976 miles of road, or nine times the distance from New York to San Francisco and of this 13,540 were actually under construction.

In spite of all the night schools, there are still people who speak of "price" and "value" as if they meant the same thing.

DECREASE IN FOOD PRICES IS RECORDED.

WASHINGTON, Sept. 23.—Twenty-seven of the forty-three standard articles going into the American family market decreased in prices between July 15 and August 15.

In making this announcement the Bureau of Labor Statistics made public figures showing that during the thirty-day period ending with the middle of August the retail price of potatoes fell 44 per cent, and the price of cabbage decreased 41 per cent.

The drop in sugar prices is placed at 14 per cent. Most kinds of meat decreased in price.

Eggs advanced 11 per cent in price in the period named. With the exception of eggs, and of pork chops, which increased 5 per cent, the increases in other foodstuffs were 2 per cent or less.

Indications that the decline in food prices levels was general is to be seen in statistics showing that each of the 51 cities covered by the survey reported decreases. Minneapolis led with a decrease of 11 per cent, with its neighbor, St. Paul, second, with a ten-per-cent decline. Detroit was third with a nine-per-cent decrease.

Decreases in other cities follow: Eight per cent, Chicago, Cleveland, Indianapolis, Kansas City, Milwaukee, Omaha, Peoria, and Springfield, Ill.; seven per cent, Denver and Memphis; six per cent, Butte, Cincinnati, Columbus, Newark, New York, Philadelphia, Pittsburgh, St. Louis, Salt Lake City and Seattle; five per cent, Buffalo, Dallas, Fall River, Louisville, Manchester, N. H., Rochester and Washington; four per cent, Atlanta, Boston, Houston, Los Angeles, Mobile, New Haven, Portland, Maine, Portland, Ore., Providence, San Francisco, Savannah and Scranton; three per cent, Little Rock, New Orleans and Norfolk; two per cent, Jacksonville and Richmond and one per cent, Charleston, S. C.

Ten of 14 representative industries showed a decrease in the number of employees on the pay roll in August, as compared with July, the Department of Labor's Bureau of Labor Statistics reported in an industrial survey made public today.

Figures on which the comparison was made were obtained from identical establishments.

The number of employees in the automobile manufacturing industry decreased 10 per cent in August, as compared with July. Other large decreases were 6 per cent in the woolen industry and 5 per cent in the leather, hosiery and underwear industries.

Increases of 3.5 per cent and 1.5 per cent were shown in car building and repairing and in paper making.

As compared with July, the pay rolls in August showed decreases in nine industries and increases in five.

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try It!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well and you will have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates. (adv-tf-f)

BUICK

SURENESS of operation, power for hard, fast travel over all kinds of roads, capacity to stand up, are developed to the highest degree in the new Nineteen Twenty One Buick Series.

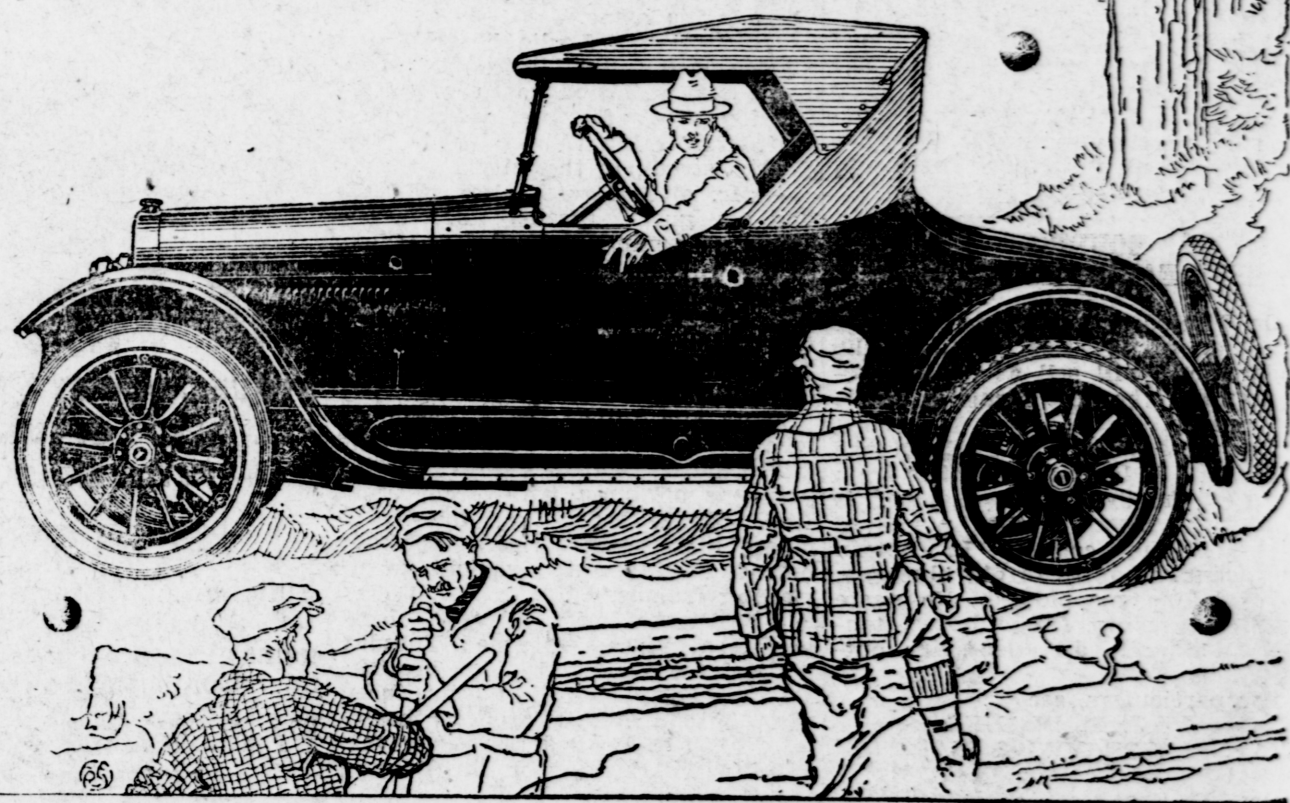

For two decades, Buick engineers have built Buick cars on these sensible lines for buyers who look upon the motor car as a business utility.

Each of the new models is equipped with the Buick valve-in-head motor, a

guarantee of power and positive performance.

With its capacity for service, Buick combines striking beauty. In resilience of spring suspension and appointments that make for riding comfort the new models are especially appealing.

In the new Buick three passenger roadster, you will find a car which meets every requirement for sure, swift, comfortable transportation for every business man.

PEN PICTURE OF CROWDED MOUNTAIN SCHOOL

FRANKFORT, KY., Sept. 23.—A one-room frame schoolhouse.

One little woman teacher. Seats for thirty pupils occupied by sixty.

Aisles and rear of room crowded with boys standing, awaiting their turns to recite.

Many other boys and girls outside the building to exchange places with those standing inside when another class is called.

This is a true picture of conditions in one district in Pulaski County, where 103 pupils are attending a school, the enrollment of which never before exceeded sixty and the attendance never equaled half the enrollment. The present attendance is two more than the census gives the district. The new compulsory attendance law is the cause.

People of the district are demanding that the county school authorities provide accommodations for all the pupils and furnish another teacher. The big outdoors is used as a study room during good weather. There won't be standing room inside if the attendance keeps up after the snow flies.

This condition is typical of rural Kentucky this year as the result of the new compulsory attendance law. The teacher shortage, as far as it related to school districts, largely has been overcome, but now both accommodations and the number of teachers are inadequate for the increased enrollment. Nearly every rural county, State Superintendent George Colvin said, can duplicate Pulaski's experience.

The problem now is to hold the attendance. One teacher can not teach a hundred pupils, representing a half dozen or more grades. Eventually consolidation of districts with a well equipped central building, two or more teachers and a bus to haul the children is the solution, he said, but the State and County school heads are worrying about what to do with the children this year.

Look at the roads for twenty miles around on a Sunday

THERE isn't any "country" any more. The automobile has brought the most remote settlement almost as close to the center of things as the next county was in the old days.

II

To hear some tire dealers talk you might think that nobody knew anything about tires except the fellow from Broadway.

That's not the basis we go on.

We give every man credit for knowing *what he is spending his money on*, whether he drives up here in his small car from ten miles out in the country or is passing through from the capital in his limousine.

III

That's one thing we like about U. S. Tires.

They make no distinction between the *small car owner* and the owner of the *biggest car in the country*.

It's all the same to them. So long as a man owns an automobile—large or small—he's entitled to the *very best tire* they can give him.

Quality has always been the *outstanding feature* of U. S. Tires. There's *no limit* on the U. S. guarantee. All U. S. Tires are guaranteed *for the life of the tire*.

IV

We have given a lot of thought to this tire proposition. There is some advantage in being the representatives of the oldest and largest rubber concern in the world.

Drop in the next time you're down this way and let us tell you some interesting facts about tires.

AN EYE CAMERA

The smallest camera in the world which has actually "taken" pictures is doubtless the eye of the frog. It has been found that if the frog is kept in the dark for some time the retina of the eye on being dissected is found to have a purple reddish color which fades away or becomes bleached on exposure to day light. If the eye be placed in front of a window and left there or "exposed" for some time, and then fixed in a four percent solution of alum the optogram is partially fixed and retains an inverted picture of the win-

dow with its cross bars as pictured on the retina. It is claimed that by a similar photographic process the last picture or image retained by the eye of a dead man or animal may be preserved.

If men would boss themselves they would be free of all other bosses.

TO EVERY READER

There is no pure herb family medicine in the world today that can equal the power and give such grand results in regulating the bowels, stimulating the liver, flushing and cleansing the kidneys, sweetening the stomach or purifying and enriching the blood—than

BULGARIAN BLOOD TEA

Those who suffer with stomach, liver, kidney, rheumatism or blood troubles will find Bulgarian Blood Tea the best medicine to relieve and correct these ailments. It is wonderful how quick you will begin to pick up and be your old-time self again.

During the 1918-19-20 influenza epidemic Bulgarian Blood Tea was used by countless thousands of sufferers with marvelous success and millions of people took it steaming hot to prevent and ward off the disease.

As a general first aid family medicine it has no equal and every person should have a box constantly on hand for any emergency—to kill colds, allay fevers and guard against influenza, pneumonia or other serious sickness. And all mothers and fathers of families should apply at once to their druggist or grocer for a trial box of Bulgarian Blood Tea.

—The remains of Mr. Chas. Lee Talbott will be interred in the Millersburg Cemetery, Tuesday afternoon.

Mr. Talbott was born near Iersburg Cemetery, this afternoon. When a young man he was united in marriage to Miss Elizabeth Ross, of Mason county, where he has since resided, on the farm of his late father, Dr. Ross, near Marshall Station. Mr. Talbott died last Sunday of a complication of diseases. For many years he has been an influential citizen of Mason county. He is survived by his wife, several children, and one sister, Mrs. Thos. Myers, of Detroit, Mich.

—DIMMETT—Our community was shocked Tuesday evening, when it was learned that Mrs. D. L. Dimmett had died early in the afternoon, while out at her farm, one mile south of town. Mrs. Dimmett was about sixty-six years old. She had been in failing health for the past two years, but her condition was not thought to be critical previous to her death. She and her husband left their home about 2 p. m., Tuesday, for their farm, one mile south of town. She was busy gathering apples, getting out fruit jars and doing other things about the place. About 3:30 she complained of not feeling well, and said she would go up stairs and lay down for a while, while Mr. Dimmett was out on the farm to look after other business. He returned about 5:45 to the house and on going to the room found her dead.

Mrs. Dimmett was formerly Miss America Doty, and was one of a large family of children. A portion of her early life was spent in Mason county. She married when a young woman to a Mr. Nichols, with whom she did not live long. For a number of years after she was housekeeper for Mr. Dinwiddie McKee, and while serving in this capacity, was united in marriage to Mr. John McNamara. They continued to reside with Mr. McKee on his farm, one mile south of Millersburg, which place she owned at the time of her death. About twenty years ago Mr. McNamara died after a brief illness of pneumonia. Their union was blessed with one daughter, Miss Louise Bruce McNamara, now Mrs. J. D. Calhoun, who survives her. Shortly after the death of Mr. McNamara, Mr. McKee died, bequeathing to them a large part of his estate. In 1904 Mrs. McNamara was united in marriage to Mr. P. L. Dimmett, of Maysville. They continued to reside on their farm until the fall of 1919, when they purchased the home of Mr. G. L. Hill, and after remodeling it moved to it from their farm, and have since resided there.

The funeral took place Thursday at 4:00 p. m., from her late residence, with services by Dr. C. C. Fisher, of the M. C. Interment in Millersburg Cemetery. For a number of years Mrs. Dimmett was a member of the Presbyterian church. However, a number of years ago, she united with the Baptist church, of which she was a member at the time of her death.

They continued to reside on their farm until the fall of 1919, when they purchased the home of Mr. G. L. Hill, and after remodeling it moved to it from their farm, and have since resided there.

The funeral took place Thursday at 4:00 p. m., from her late residence, with services by Dr. C. C. Fisher, of the M. C. Interment in Millersburg Cemetery. For a number of years Mrs. Dimmett was a member of the Presbyterian church. However, a number of years ago, she united with the Baptist church, of which she was a member at the time of her death.

—MAYSLICK—Mrs. J. D. Dimmett was formerly Miss America Doty, and was one of a large family of children. A portion of her early life was spent in Mason county. She married when a young woman to a Mr. Nichols, with whom she did not live long. For a number of years after she was housekeeper for Mr. Dinwiddie McKee, and while serving in this capacity, was united in marriage to Mr. John McNamara. They continued to reside with Mr. McKee on his farm, one mile south of Millersburg, which place she owned at the time of her death. About twenty years ago Mr. McNamara died after a brief illness of pneumonia. Their union was blessed with one daughter, Miss Louise Bruce McNamara, now Mrs. J. D. Calhoun, who survives her. Shortly after the death of Mr. McNamara, Mr. McKee died, bequeathing to them a large part of his estate. In 1904 Mrs. McNamara was united in marriage to Mr. P. L. Dimmett, of Maysville. They continued to reside on their farm until the fall of 1919, when they purchased the home of Mr. G. L. Hill, and after remodeling it moved to it from their farm, and have since resided there.

MATRIMONIAL

JONES—WRIGHT

—Mr. and Mrs. Pelham Jones, of Millersburg, have announced the engagement of their daughter, Miss Alma Duke Jones, to Mr. Homer Wright, Jr., of Atlanta, Ga. The marriage will be solemnized in Millersburg in November. Miss Jones is one of Millersburg's most attractive and accomplished young women. By her charming personality and amiable disposition she has endeared herself to a host of friends. She is an accomplished musician and is a graduate of the Millersburg College. Mr. Wright is an agricultural extension specialist connected with the Georgia State College of Agriculture, and a young man of fine character and ability.

ROBERTS—NICKELL

—Paris friends of the bride learned yesterday of the marriage of Miss Bettie Jane Roberts, of Paris, and Prof. Clarence Nickell, of Berea, which took place at the residence of Mr. H. L. Tune, in Winchester, on September 4. The ceremony was performed in the presence of friends of the bride, by Rev. Mr. Ford, pastor of the Winchester Christian church. The young couple kept their marriage a secret until yesterday, for reasons of their own.

Mrs. Nickell during her residence in Paris, was a member of the nursing staff at the Massie Memorial Hospital, leaving school at Midway to take the course in nursing at the Massie Memorial Training School for Nurses. After leaving Paris she was a nurse at the Robinson Hospital, in Berea, where she met Prof. Nickell, her future husband. He is a member of the faculty in the Normal Department at Berea College, and is an educator of high intellectual attainments. The bride is a charming petite brunette, who made a large circle of warm friends here by her amiable disposition and personal charms.

HUBBARD—ADAIR

—Announcement cards that created a ripple of surprise among friends and relatives were received here yesterday morning, in which were announced the marriage of Dr. John Adair, of Green Cove Springs, Florida, and Mrs. Sallie West Hubbard, of Jacksonville, Florida. Both formerly resided in Paris. The cards read as follows:

"Dr. John Ray Adair and Mrs. Sallie West Hubbard announce their marriage on Monday, the 20th of September, nineteen hundred and twenty, Jacksonville, Florida." "Will be at home after the twenty-fifth of September, Green Cove Springs, Florida."

Dr. Adair is a popular and highly-esteemed dental surgeon, a native of Bourbon county.

He was located for many years in Paris, having an office on Broadway, in the rooms over the former home of THE NEWS, which were for years occupied by the late Dr. John T. McMillan. Dr. Adair by his genial and amiable disposition made and held a large circle of warm friends, who unite with THE NEWS in congratulating him upon his choice of a helpmate. His bride was formerly Miss Sallie Wilcox, daughter of the late Mr. and Mrs. John W. Wilcox, of Paris, and a sister of J. Ward Wilcox and Mrs. J. Hooker Stivers, of Paris, and Jas. Wilcox, of Daytona, Florida. She has been twice married, her late husband, Mr. W. C. Hubbard conducting a mercantile business in Lexington, before moving to Florida.

BIRTHS

—To the wife of Silas Mattox, of near Paris, a son, christened Silas Daugherty Mattox.

—Near Centerville, to the wife of Dee Hume, a son, christened Elmer Kenney Hume. Mrs. Hume was formerly Miss Myrtle Wood, of Lexington.

—Monday, September 20, to the wife of Mr. John W. Oakley, a son, christened John Walter Oakley, Jr. Mrs. Oakley was formerly Miss Vella Mastin.
